

# GeoBlue international travel health insurance

Discover peace of mind with complete, reliable protection

## Coverage that picks up where your U.S. health plan leaves off

If you are planning an international trip, make sure you are protected with an international travel health plan from GeoBlue®. These plans are specifically designed for global travel and provide coverage for you and your family for up to \$1 million in case you get sick or injured, or have a medical emergency while traveling.

You'll have peace of mind knowing that you have coverage for medically necessary evacuation and returning home, which can cost tens of thousands of dollars and are not typically covered by U.S. health plans. You'll have 24/7/365 support from a team of global healthcare specialists and telemedicine services, as well as access to convenient digital resources so you can explore the world without worrying about the "what ifs."

### For personal international travel, GeoBlue has a plan for you. Benefits include:
