

# Leave Planning Made Easy

## Create your personalized LeavePlan

Start with LeaveLogic to get all the information you need for your unique leave of absence journey.

### What is LeaveLogic?

A leave of absence planning app that provides instant access to all leave policies and benefits while guiding you through the necessary steps to have a successful leave and return to work.

### How does it work?

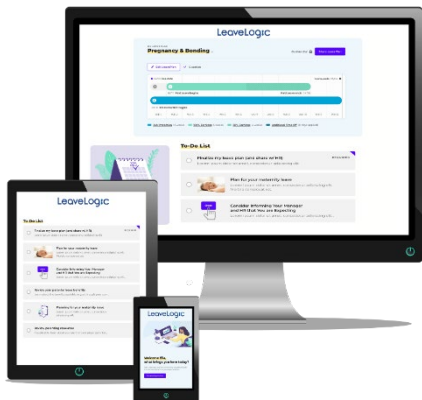

All leave benefits are consolidated into a customized and confidential LeavePlan that you can create on your own, access anytime, and submit your claim to Unum when you're ready.

### When can I sign up?

Anytime! Whether you are anticipating a leave of absence or planning for the future, LeaveLogic gives you access to the information you need to plan the leave experience you want, when you want.
